Powderlux™

Specification Reference Numbers
(Companion Sheet for Specifiers — U.S., UK & EU)

How to Use This Sheet
This quick reference provides preliminary finish codes to help you specify Powderlux™ finishes in project documentation. When specifying consider sheen for desired outcome & best results.

✓ Region-specific codes

✓ Cross-referenced with Look Book finishes

✓ Easy to insert into spec documents

⚠ Note: This is a companion document. Full specification guidelines will be published soon.
